Carole Munday has asked me to include this brief message in the newsletter.

"I am sorry to say that after 38 years of playing Gosford Mid-week ladies tennis, sharing wonderful moments, victories and losses with so many inspirational ladies over the years, my run unfortunately is over. I shall miss my tennis enormously but sometimes life throws some curves one can't dodge. My thanks to the Mid-week committee for their care and support on the recent loss of my two brothers and all the kindness given me from my team and my tennis peers. Good health, happiness and my best wishes to all."

Thank you Carole we will all miss you and wish you well in whatever your future ventures maybe.

**A day at the Races**

Two female teachers took a group of students from grades 1, 2 and 3 for a field trip to Flemington Racecourse.

When it was time to take the children to the 'bathroom', it was decided that the girls would go with one teacher and the boys would go with the other.

The teacher assigned to the boys was waiting outside the men's toilet when one of the boys came out and told her that none of them could reach the urinal.

Having no choice, she went inside, helped the little boys with their pants, and began hoisting them up one by one, holding on to their 'wee-wees' to direct the flow away from their clothes and shake them dry.

As she lifted one boy up, she couldn't help but notice that he was unusually well endowed. Trying not to show that she was staring at his equipment the teacher said, 'You must be in Grade 3?

'No ma'am', he replied. 'I'm riding Black Caviar in the next race, but I really appreciate your help.'

On that note I will finish, wishing you all well.

Cheers
