LIFE ETERNAL

A guy is walking along a beach when he comes across a lamp partially buried in the sand. He picks up the lamp and gives it a rub. A genie appears and tells him he has been granted one wish.

The guy thinks for a moment and says, "I want to live forever."

"OK, then, I want to die after Labor balances the budget and eliminates the debt.

"You crafty little bastard," said the genie.

(This one was from Lyn Hampson. Thanks Lyn)

That's all for this week
