The Secretary  
Ladies Mid Week Committee  
GOSFORD

Dear Margaret,

Thank you for your letter dated 9 December 1994.

The policy of this Association has been to subsidise players who have been chosen by State or National Selectors (team or individual) and also to subsidise the Inter-district competition. The Inter-district competitors are chosen by GDTA to represent Gosford and therefore are subsidised. Country Week teams are not chosen by this Association, therefore, have not been subsidised. The teams in Country Week nominate themselves and this Association only endorses those teams as members of this Association.

The Grounds and Financial Management sub-committee will be meeting in the new year to, amongst other matters, formalise the Association policy regarding subsidies. LMW will be made aware of that policy.

With regard to the remaining points in your letter, those matters will be discussed at our next meeting in the new year. I'm responding to your Country Week request now as the competition will commence prior to the next meeting of this Committee.

Sincerely,

Mavis Slingsby  
Secretary

9th December 94

Rec 13/12/94.

The Secretary,  
Gosford district tennis assoc.,  
GOSFORD.

Dear Mavis,

At our meeting on Thursday 8th December, our committee was informed that players representing Gosford in Inter District Competitions are subsidised by G.D.T.A..

We feel the same consideration be given to our four ladies teams playing Country Week in January 95. These ladies are also representing Gosford Tennis Assoc, and deserve this recognition.

Hoping you can help with the above request.

*New Business*  
ALSO More complaints being received concerning the condition of the Toilet Block. ( Tiles etc), Gates on Court 1, and the problem of cars using Driveway at back of courts 1 2 3 and 4. We feel this driveway should only be used by authorised persons, such as Gary, President of Main Body, Ladies President and David Graham. The amount of young children playing in this area is growing and an accident could be caused by cars other than those named by not realising the danger.

Thanks once again for your co-operation,

Yours in tennis,

*Margaret Groves.*
