The Secretary

G.D.T.A.

Dear Kerrie,

At a recent meeting of Ladies Mid Week, discussion was held in relation to the situation of the lack of teams now playing from the Gosford complex.

As the Constitution states that all courts used for our competitions are to be within the boundaries of the Gosford City Shire, it was felt we should forward the attached letter to the teams presently using the Ourimbah complex, which is outside the boundaries of Gosford City Shire.

Would you please advise if we are in order in forwarding this letter to the 5 teams presently using the Ourimbah complex for Ladies Mid- Week.

We will await your reply before proceeding further in this matter.

Yours sincerely,

Chris Cox
Secretary

Due to the Gosford District Tennis Association Constitution stating that all courts for any competition run by Gosford District Tennis Association, including Gosford Ladies Mid-Week competitions, are required to be within the boundaries of Gosford City ~~Shire~~, we must regretfully inform you that from the beginning of 1998 we will no longer be able to accept the Ourimbah courts into the Ladies Mid-Week competitions.

Should you require any assistance in this regard, please contact the Competiton Secretary, Marie Frost, who will assist with a change of location for your team in the future.

Yours sincerely in Sport,

Chris Cox
Secretary
