

QD7A Social Committee Update.

June 11, 1997

* New format for Social Committee: no more meetings, updates will be sent out to all those involved by the chairperson-Megan.

* Mavis has been contacted with regards to social news appearing in the Tennis Topics. An attempt will be made to keep her updated.

* Letters requesting sponsorship have been sent out to:

David Jones
Greater Union
Hoytes
Pizza Hut
Traceys Upper Deck
Hogs Breath Cafe
The Lonestar Steakhouse

* David Jones have answered back as definite, Lonestar sounds promising. Hills St ports Medicine wish to become involved by way of donating a pair of computerised orthotics and a couple of massages in return for making their newsletter available to our members. Bakers Delight will continue to sponsor us, along with help from Ourimbah Butchery who will also be approached to donate a meat tray for the trivia night.

* \$307 taken at Interdistrict BBQ. Cost of night was \$503.07 therefore shortfall of \$196. Competition committee would like Social committee to run BBQ at the end of each comp. as a presentation night for each comp. Social committee will oblige but may need help on night by comp. committee.

* 17 tickets sold for theatre night "Gone To Bali", made a profit of \$46.40. Will look at passing discount on to members next theatre night as profit is too negligible to worry about.

* Will look at holding Trivia Night early August. Have enough prizes just have to come up with questions.

* Will contact Simon about Golf days for last half of year. May look at holding a Tony Stuckey Memorial Golf Day on his favourite course.

* Will get date for the end of Interdistrict from Interdistrict co-ordinator and book the Spit roast people.
