GENERAL BUSINESS: Malcolm Burgman, Vice President Tennis NSW has suggested we contact Jack Davies to look at hardcourts. He has advised us that to put top coats on existing court is not practical. Suggested that at least 25mil of hot mix be put on top existing slabs before top coat. or replace with synthetic grass. Will put in report.

A big thank you to C. Cox, Betty & Ray Light, Marie Frost, Lynne Montagner, Pat & Basil Healy for their time and work they did at the bottom complex last Wednesday, Kitchen cupboards were taken out all the table and seats were painted, ceiling in big room was painted and general maintenance carried out - a job well done, it looks great.

Courts 1-4 need cleaning and new lines painted. Have 8 courts patched for now.

Quote from Protective Fencing for new wire fences at bottom complex.

Mayor for 1998-9 is Chris Holstein.
