GENERAL BUSINESS: Report given on Constitution Meeting.

Report given that "Gnome Nappers" in A Grade could not field a team in Semi-Finals and Grand-Final due to Matthew taking juniors away on behalf of Region, this has happened before. However, the second event was a private decision and the match was on a Sunday and not Saturday and it was felt he should have completed his match before leaving. Jamie was asked to take to Competition Committee and we would like a report back on this matter.

Re David Deakin's membership, the amount was filled in on form and dated but no receipt number and have been unable to locate a receipt in records. He will have to produce receipt.

Ask Rod if he wishes to pay for advertising on back of Draw Book.

Write letter to Gosford Tennis Centre re work done at bottom complex and that approval is required from the Association and note re warrant on roller door could be voided because of U bolt around the locks.
