Court 1 & 2. Bubbles coming everywhere on both courts and will have them inspected.

Monday & Friday players registration. All Monday players and most of Friday players are registered. Saturday teams should have to pay before teams are accepted.

Rod feels a lot of money has been spent on the complex, on both courts, plants, etc. to beautify the surroundings and is considering putting in a Notice of Motion to introduce a Joining Fee so that future members contribute to what has been spent. Maureen not in favour of a Joining Fee but perhaps we could look at a "Penalty" fee for those who have not paid their fees by say 28th February each year. Also a pro-rata fee after say 1st September for that year, this could be looked at for say Ladies Monday Night players who only play that competition.

Meeting Closed 9.40 p.m.
