**Hot night**

I'd checked into a Motel on my 60th Birthday and was a bit lonely.  
Then I thought, "What the heck, I'll call one of those men you see  
advertised on the internet for escorts and sensual massages."

So I looked at my ipad and found a full page ad for a guy calling  
himself Tender Tony - a very handsome man with assorted physical  
skills flexing in the photo. He had all the right muscles in all the right places, thick wavy hair,  
long powerful legs, dazzling smile, six pack abs and I felt quite certain I could bounce a  
50cent piece off his well-oiled butt.

So I figured, what the heck, nobody will ever know. I'll give him a call.  
"Good evening, ma'am, how may I help you?" Oh my, he sounded sooo sexy!  
Afraid I would lose my nerve if I hesitated, I rushed right in:

"I hear you give a great massage. I'd like you to come to my motel  
room and give me one. No, wait, I should be straight with you. I'm in  
town all alone and what I really want is sex!

I want it hot, and I want it now. Bring implements, toys, everything  
you've got in your bag of tricks. We'll go at it all night - Tie me  
up, cover me in chocolate syrup and whipped cream, anything and  
everything! I'm ready! Now how does that sound?"

He said, "That sounds absolutely fantastic, But you need to press '9'  
for an outside line."

That's all for now  
Cheers
