

LADIES MIDWEEK TENNIS

NEWSLETTER

2nd March

The first competition for 2016 began today and we would like to welcome all new players to our Ladies Midweek Competition.

Carolyn Perks had a fall today and has fractured her wrist, we wish her a speedy recovery.

Division 1 Handicapped System

During this competition Terrigal Terrors will be handicapped by 1 point each game. This means the first serve will commence on the backhand side with the first point given to the opposing team.

The system is being trialled for this competition. It was resolved by the Committee to develop the system to provide a greater challenge to Terrigal Terrors and also to provide greater opportunity for the opposing team to compete.

NOTE: The system is to be implemented in **all** matches. The opposing team cannot decide they will not receive the additional points.

Lyn Hampson will be away until 9th April and I will be covering for her during this time. I will be collecting the score cards from both Gosford and Terrigal courts. If you don't happen to be playing at these courts could you please post the score card to:

5 Surgeons

Five surgeons from big cities are discussing who makes the best patients to operate on.

The first surgeon, from New York, says, 'I like to see accountants on my operating table because when you open them up, everything inside is numbered.'

The second, from Chicago, responds, 'You should try Electricians! Everything inside them is colour coded.'

The third surgeon, from Dallas, says, 'No, I really think librarians are the best; everything inside them is in alphabetical order.'

The fourth surgeon, from Los Angeles chimes in: 'You know, I like Construction workers...Those guys always understand when you have a few parts left over.'

But the fifth surgeon, from Washington, DC, shut them all up when he observed: 'You're all wrong. Politicians are the easiest to operate on. There's no guts, no heart, no balls, no brains, and no spine. Plus, the head and the ass are interchangeable.'

That's all for this week

Cheers
