Re: Lease to Gosford District Tennis Association Inc

Dear Sir

I refer to previous correspondence regarding the payment of \$17,000.00 contributions towards redevelopment of the Tennis Centre. I advise that the Roads and Traffic Authority, in a letter dated 7 June 1994, agreed to pay for the construction of the Band Hall together with associated costs. The Council has written to the Roads and Traffic Authority requesting they honour that agreement.

Under the circumstances the contribution of \$17,000.00 is not the responsibility of the Tennis Association.

The Association is requested to execute the lease and return it to Council so this matter can be finalised.

It is anticipated there will be minor delay following the execution of the lease to have it registered at the Land Title's office. The reason for the delay is the time taken by the Department of Land and Water Conservation in giving its approval to the plan of survey that defines the areas being leased to your Association.

If you have any further enquires regarding these issues please contact Alan Ford Council's Legal Officer on (02) 4325 8217.

Yours faithfully

Alan Ford
