Mr Hal Moir will be delegate for GDTA. Write letter to Greg Scriven and advise of this.

Steve reported on various tournaments. 16's Nationals was a huge success. It was an exceptional team effort. Michelle Moon did the

National Anthem at the Presentation. Steve moved we should give her a Gift Voucher on Erina Fair (Maureen will organise).

We had a number of helpers from outside the Association. Court Supervisors get \$30.00 per day and John Schultz declined to accept this payment. Also, Kevin Stevenson came in each day and assisted and Warren Riley came down a couple of days. Maureen will write a "thank you" letter to each.

Steve thanked Pat for her effort.

Open Tournament - we had 130 names for the Open Men's Singles which is the biggest event we have ever had. This is the first time the Open Men's has covered costs and will show a profit. \$3,815.00 in prize money.

Junior Open also went well.

January overall is a huge month and the co-operation we received is exceptional.

Adam Feeney won the 16's Nationals and Rochelle Rosenfield has had great results recently and we should write and congratulate both of them. Also, James Karam on his recent results.

Ian made comment on Adam's speech when they won the teams event and how well he presented himself for the Association.

Steve commented the budget for the 16's Nationals is \$25,500 for the teams event.

Pat commented the media coverage was disappointing prior to the tournament.

We still have not received the Umpires Fee for last year's Sattellite.
