TENNIS COMMITTEE:

Troy apologised for not having the minutes from previous meeting, next meeting on 14/4/03. Saturday comp down to 20 teams and is a concern. Division 1 is better this time, but Division 2 there was a big "drop off". This has created a big gap between the divisions. There are some rumours that some people are not happy at Tuggerah and may come back. We made need to change the format for next comp.

Thursday night is down from 19 to 15 teams. Tuesday up to semi-finals, entries for next comp coming in.

Fee increase for Saturday has not caused any problems.

JUNIOR COMMITTEE:

Junior meeting held 26/3/03. Main discussion was in relation to Inter-District competitions.

INTER-DISTRICT:

We have 2 teams for Sydney. Mary's team and 1 Presidents Cup team. There were a couple of additional applications, but they were not strong enough. Receiving entries for Northumberland.

Maureen brought along samples of new shirt for girls for Northumberland. Decision made on one, which will be plain white with logo. Order will be placed when entries come in and we ascertain relevant numbers for each size.

Shirts will be \$15.00 - Association will subsidise the difference in cost of new shirt for girls (cost approx \$18.50).

SQUADS - There is 1 squad on Thursday evening.

BADGE: - Most finals will be held this Saturday, competition went well.

L.M.W. REPORT: No report
