

MINUTES OF EXECUTIVE MEETING HELD 4TH FEBRUARY, 2004

PRESENT: Hal, Steve, Rod, Jenny, Jaimie, Maureen

X LICENCE: Gosford Tennis Centre require a letter for their Solicitor giving approval in relation to Clause 6.1 & 6.2 - O.K. to provide.

Rod was concerned about the lack of numbers and cost to the Association for Gosford Open Ladies - meeting advised him to go ahead with this event.

COURTS: Court 13 - we are still hopeful of getting done in next couple of weeks

Courts 8 & 9 - surface needs "blasting"
need re-surface and re-line (get Carol to quote)

SATURDAY COMP: The numbers are not good. Rod and Jenny asked if they could arrange the Saturday comp and try and get numbers back.

Rod said he still has not got entry list and is on Committee and there has been no meeting.

The comp will run from 1pm to 4pm and use additional courts, cost will be accepted by GTC.

The Executive gave OK for this to happen. It is a GDTA competition and will be run by GTC on behalf of GDTA.

May be a good idea to run a couple of teams in the singles section to assist our stronger players.

X-POINT:

Rod would not be happy to give anyone else our membership list.

Our kids have joined in good faith and it is concerning they would be required to pay a considerable fee "upfront".

At this stage it was decided the Association will still run Junior Badge as our own and not put teams into X-Point.

We are having meeting with Alinta Reps later this evening re this competition.

MOVED: MAUREEN

SECONDED: STEVE
