MINUTES OF EXECUTIVE MEETING HELD SUNDAY, 27TH NOVEMBER, 2005.

PRESENT: Hal Moir, Steve Gibson, Lynne Buchanan,
Maureen Rowe, Rod and Jenny Rosenfield

MATTERS DISCUSSED:

CLUBHOUSE - BOTTOM COMPLEX -

Discussion was held re what could be done to make this more secure following recent attempted break-in which has virtually wrecked the roller shutter to front window.

Maureen has suggested bricking both outside window areas in and making a serving window in the entrance area which would be protected with the full roller door, which is more secure than the window areas.

Rod to get a quote from one of our members to brick these in for us to present at our next GDTA meeting on 7/12/05.

LARGE GARBAGE BIN:

Rod will attend to getting the ground behind the log flattened so that the bin can be put behind, as we are concerned the weight will break up the carpark.

REPAIR COURT 2:

Warren from Major Sports is going to attend and sand down, fill and re-paint the relevant area, hopefully this will be done in next couple of weeks.

SHADES FOR WALKWAY:

3 shades have been ordered and Rod was asked, when received, to see if Dave could erect one to test over a few days as to the best place to give protection from sun. If they are successful, the LMW are to purchase others to be placed along the walkway.

If they are not successful in the walkway, we will place them at other areas of the complex.

COURT 14:

Maureen advised she had heard that this court was recently used when Tennis NSW held a tournament at our venue, even though GTC had been officially advised it is "out of order" and an adjustment made to their monthly payment to this effect.

27/11/05

Rod stated that Tennis NSW wanted to use same, however he should have advised Tennis NSW to telephone Hal, or a member of the Executive, regarding this and not used the court.

SANDPIT:

Hal has again spoken to Aaron from Raw Landscapes and he will attend this coming week.

STEPS COURTS 5,6,7,8:

Has has liaised with Trevor Stretton who will attend and erect handrails to both sides of the top couple of steps to, hopefully, make them more safe for people going down onto those courts.

LMW:

A reply was received from LMW in relation to changing the format of the present competition and the loss of revenue to GTC.

The matter was discussed and the above reply read, this matter has not been resolved to the satisfaction of GTC.

Maureen was asked to reply and re-iterate to LMW that they must recommend any changes to their rules to the Main Body Meeting for ratification before implementation.

GOSFORD CLASSIC OPEN:

After discussion, it was decided to leave the entry fee for our events the same fee as last year.

SQUADS:

Rod confirmed he had received our letter re squads for 2006.

He also advised that 2 TDC Squad players were invited to Tennis NSW for the week last week. They then let us send 6 boys who had a great experience with Hewitt and his coach and others inter-acting with the boys.

TEAMS EVENT:

Maureen to write an invitation to The Mayor to attend the presentation of the Optus 14/U Hawton-Sproule Cup on Sunday 8th January, 2006 at 1.30PM.

SQUADS:

Rod confirmed he had received our letter that, due to the loss of revenue, GTC should run squads for 2006.

He also advised that 2 TDC Squad players were invited to Tennis NSW for the week last week. They then let us send 6 boys who had a great experience with Hewitt and his coach and others inter-acting with the boys.

TEAMS EVENT:

Maureen to write an invitation to The Mayor to attend the presentation of the Optus 14/U Hawton-Sproule Cup on Sunday 8th January, 2006 at 1.30PM.

GTD LICENCE:

Request from Jenny & Rod that we consider the memo (self-explanatory) given us asking for an extension of time on their Licence Agreement, as they have had a genuine sale offer.

This matter to be referred to our Meeting on 7/12/05 and Executive decided to refer to our Solicitor for legal advice.
