Dear Sir/Madam

I refer to your recent enquiry requesting speed humps be placed on Racecourse Road, Gosford near the tennis court carpark and drainage maintenance issues.

The drainage maintenance issue has been referred to Council's Regional Road Maintenance Section for action. Racecourse Road is a sub-arterial regional road catering for major through traffic movements and as such is not a desirable location for traffic calming.

Experience has also shown that traffic calming devices tend to encourage inappropriate driver behaviour.

Should you have any further enquiries regarding this matter please do not hesitate to contact me on telephone 4325 8853.

Yours faithfully

Keith Dawson
Road Safety and Traffic Coordinator
