- Social media
Daimian has not been able to contact with the consultant.

It was put forward that the social media and press releases should be established ASAP as both most likely will be valuable tools in gaining our lease with GCC.

- Grant
A Community Programme Grant has been opened for submission. Tony has offered to complete and submit the application for a grant of \$20,000.00 for the reconstruction of Courts 10 & 11

General Business:

- Maintenance (Chris Lees)
Report (copy attached)
To resolve the issue of many of the current nets being in a poor condition (missing bottom tape, ties holding loose netting to top tape, etc) it was suggested to have Jadee Sporting to inspect all nets and quote the cost to repair or replace any of the nets. Also to offer ITS to cover 50% of the cost. (All agreed)
- Preparation for EOI
TA has given guidelines of information that GCC will be expecting to be in the EOI submitted to them. Tony has already drafted a Strategic Plan.
A meeting will be convened and attended by Tony, Rob Eldridge, Peter & Murray to finalise the Strategic Plan and other aspects suggested by TA. All information will be sent to TA to scrutinize.
