

Coaches report: for 18 May 2020

First of all, Alex and myself would like to thank the club for taking off the court hire, gym and pro shop fee during this pandemic. We have had a lot of parents thank us for dropping our prices while some have been laid off work.

As for coaching it has only been myself and Alex coach over the COVID 19 period and have been busier than we thought. Approximately doing 4hrs a day 6 days a week.

As the rules hopefully release, we will be adding more classes in. We have a schedule written up starting from the 25th of May. We will reopen classes like hot shots, cardio, performance squads, adults and privates.

We are getting A lot of feedback and requests to play though court hire or new lessons as tennis is only one of the few sports still active through this time.

Again, we would like to thank you on how much the club and committee has helped us out during this period. It has really helped us stay afloat and will make it easier for us to come back from.

Regards

Jono & Alex
