

Coaches Report

Tennis camp:

Over the 2 week holiday camp we had 225 kids come through over the 6 days. Maximum kids in the one day was sitting at 56. Was a very busy time especially during the heat. Kids enjoyed themselves and we were able to sign up a few of the kids to the hot shot term program.

Holiday Squads

Some of our performance players were getting ready to play tournaments during the holiday period so we were running a squad program for them. The turnout was good and the kids felt prepared for the upcoming tournaments.

Holiday Tournaments

We had a lot of the performance players playing throughout the holiday period with some fantastic results. Starting off with Gosford gold JT in December

16/u -Nick Devivo - winner

12/u – Toby Collins - semi final

16/u Shannon Spencer – finalist

And plenty of other good results throughout the tournament from all players.

Unfortunately, we didn't have enough players to go down to Albury due mother nature playing a role in it. But we did have 4 boys still go down Nick, Jayden, Liam and own. All 4 boys enjoyed playing on natural grass and gaining some experience and also coming away with a few good results.

Newcastle JT

Heading up to Newcastle as most of our players where up there I had the privilege to watch some great tennis. The conditions where tough as most days where above 30 degrees. We had a total of 9 players up there competing.

Term1 2020

Hot shots

Hot shots classes looking great with some new faces and most kids returning for 2020 after a slow start to the week with kids returning to school in the new year. We are looking to start some performance red and orange squads for kids that want to go to the next level but are not old enough to join development squad. This will close the gap between hot shots and squad which will make our player pathway stronger.

Adults

Adults classes looking strong with good numbers throughout. Monday beginner's numbers doubled this week. Get your racquet on started this week which was a success.

Performance squads

with a slight change of programming to the development of the kids we have seen a growth through this change to squad numbers.

Monday – 14

Tuesday – 15

Wednesday – 14

Thursday – 17

Friday - 14

Coaches

Coaches are continuing to grow through learning and developing. We have starting giving out more hours and getting more coaches in to help with the big numbers throughout the coaching program.
