**Mr Tony Haworth  
Gosford Tennis Club**

Dear Tony,

**RE: GOSFORD TENNIS CLUB – LED LIGHTING UPGRADE – SECOND STAGE**

Thank you for inviting us to site to investigate the upgrading of existing lighting to LED on further tennis courts. We have based our proposal on the following:

**SCOPE OF WORKS**

**COURTS 1 – 4**

- Remove and dispose of existing light fittings
- Supply and install 2 x 450w LED on each pole (16 in total)
- Aim lights according to lighting design
- Test and commission

**COURTS 10 – 11**

- Remove and dispose of existing light fittings
- Supply and install 1 x 900w LED on each pole (4 in total)
- Aim lights according to lighting design
- Test and commission

**COURTS 12 – 13**

- Remove and dispose of existing light fittings
- Remove and dispose of existing lighting poles
- Auger 2.2m deep x 600mm dia footings for new light poles (4 in total)
- Prepare and construct concrete footings (4 in total)
- Supply and install 1 x 900w LED on each pole (4 in total)
- Aim lights according to lighting design
- Test and commission

**LIGHTING CONTROL**

- Supply and install 'Cloudmaster' lighting control system

**PRICING**

**\$ 69, 839 (INCL GST)**

## **EXCLUSIONS**

- **Pricing valid for 30 days**
- No allowance for any switchboard works
- No allowance for upgrade of power
- No allowance for replacement of any cabling from base of pole to switchboard
- No allowance for removal of spoil from footing holes

Any questions, please do not hesitate to contact me.

Kind regards,

**Dan Watts**  
**General Manager**
