Dear Ms De Vivo

I am pleased to advise that funding of \$132,575 has been approved through the NSW Government's Infrastructure Grants Program for the replacement of the court lighting.

The Infrastructure Grants Program supports communities in the building, renovation and fitout of infrastructure. Funding is available for arts and cultural infrastructure, projects that enhance facilities used to shelter communities and provide emergency services and for sport and recreation and essential community infrastructure.

These grants are made possible by the Clubgrants Category 3 Fund, which reinvests a contribution from the state's registered clubs gaming machine profits back into community projects.

Details of your grant conditions, required acknowledgements and payment information will be sent to you by the Office of Responsible Gambling in a Funding Agreement. Please note that the Funding Agreement is not intended to be final and binding unless, and until, the Departmental delegate has approved and signed the contract.

If you have any enquiries please contact the Grants Team on info@responsiblegambling.nsw.gov.au or (02) 9995 0992.

Yours sincerely
