Dear Michelle,

Re: Gosford Tennis Club

Thank you for your email of 12 May 2020.

As per the current arrangements that you have with our club, we are very pleased to assist you again for the 2020/2021 financial year.

We are happy to provide our facilities at no cost from 9am – 3pm weekly. Please have any players who wish to take up this arrangement to obtain a full membership tag at their next visit.

I understand we will require an updated letter from Options Disability Support accepting responsibility and management of players although we are happy to support the players with the use of tennis balls, racquets etc., where required. Unfortunately, we continue to not be able to offer disability friendly facilities – toilets, ramps etc., however again we will try and do the best we can.

In speaking with Warren, we can also provide other opportunities such as our Monday gardening club or tennis coaching. If you are interested, please speak with our front desk or let me know.

We would also like to place your logo on our website as a supporter, if this is agreeable, please forward your logo to us. In addition, as we now have our social media sites well supported, we would be happy to raise your organisations profile with a tennis story.

We again welcome you to our club, and if there is anything you need please do not hesitate to contact us.
