Dear Tony,

RE: GOSFORD TENNIS CLUB – LED LIGHTING UPGRADE – STAGE 1

Thank you for inviting us to site to investigate the upgrading of existing lighting to LED. Mike provided me with an in depth and knowledgeable tour of your facility.

We discussed the proposed strategy for the overall upgrade of the facility. I have based our proposal on the following:

- **STAGE 1**
 - A. Courts 8 & 9; remove existing lights and replace with LED
 - B. Courts 5 – 7; remove existing lights and replace with LED

- **STAGE 2** – rebuild Courts 5 – 7, install new poles and cabling, look to reuse lights from Stage 1B on rebuild

- **FUTURE/POSSIBLE STAGES**
 - A. Courts 1 – 4; remove existing lights and replace with LED
 - B. Courts 10 & 11; remove existing lights and replace with LED – potential futsal courts
 - C. Courts 12 & 13; remove existing lights and replace with LED. Potential court rebuild

COURTS 8 & 9

- Establish site, including delivery of scissor lift
- Remove and stockpile onsite existing light fittings
- Supply and install 1 x 900w LED on each pole (4 in total)
- Aim lights according to lighting design
- Test and commission

COURTS 5 – 7

- Establish site, including delivery of scissor lift
- Remove and stockpile onsite existing light fittings
- **Courts 6 & 7:** Supply and install 1 x 900w LED on each pole (4 in total)
- **Court 5:** Supply and install 1 x 450w LED on each pole (4 in total)
- Aim lights according to lighting design
- Test and commission

PRICING \$ 28, 740 (INCL GST)

EXCLUSIONS

- **Pricing valid for 30 days**
- No allowance for any switchboard works
- No allowance for any switching and/or lighting control works

Thank you for the opportunity to provide our quotation for the upgrade of lighting on Courts 5 – 9 at Gosford Tennis Club.

We are more than happy to provide quotations for the remaining stages.

Any questions, please do not hesitate to contact me.

Kind regards,

Dan Watts
