Getting into Heaven

A woman arrived at the Gates of Heaven.

While she was waiting for Saint Peter to greet her, she peeked through the gates.

She saw a beautiful banquet table. Sitting all around were her parents and all the other
people she had loved and who had died before her.

They saw her and began calling greetings to her. "Hello - How are you! We've been waiting
for you! Good to see you."

When Saint Peter came by, the woman said to him, "This is such a wonderful place! How do
I get in?"

"You have to spell a word," Saint Peter told her.

"Which word?" the woman asked.

"Love."

The woman correctly spelled 'Love', and Saint Peter welcomed her into Heaven.

About a year later, Saint Peter came to the woman and asked her to watch the Gates of
Heaven for him that day.

While the woman was guarding the Gates of Heaven, her husband arrived.

"I'm surprised to see you," the woman said. "How have you been?"

"Oh, I've been doing pretty well since you died," her husband told her.

"I married the beautiful young nurse who took care of you while you were ill. And then I
won the multi-state lottery.

I sold the little house you and I lived in and bought a huge mansion. And my wife and I
travelled all around the world.

We were on vacation in Cancun and I went water skiing today. I fell and hit my head, and
here I am. What a bummer! How do I get in?"

"You have to spell a word," the woman told him.

"Which word?" her husband asked.

"Czechoslovakia ."

Moral of the story: Never make a woman angry...There will be Hell to pay later!

That's all for this week

Cheers

Judy
