Matters Arising

Sunday morning discipline date
changed. The committee decided to
allow juniors to make application
upon attaining state or national
representation, for reimbursement of
entry fees. Moved H. Mair and
seconded S. Abreu.

It was decided to purchase the
TV. set and to ask Rex to quote
on mounting a suitable security
bracket.

On the recommendation of the F&D
Committee it was agreed to vary
the cantabriges pay rates by varying
the hours worked. He is to be
allowed to close the complex at 5.00
when there are no night bookings.

A point was raised regarding the
competition fee for Cantabriges. As
a postscript to that discussion it
was agreed that many players were
not good enough for the Saturday
competition.
