Could you please arrive at The Boathouse Waterfront Restaurant no later than 10.15 AM as the boat will not be able to wait for late comers. Also I would like to remind you about car-pooling due to limited parking.

Congratulations to Mary Gordon, Kathy Holland, Barbara Young, Sue Simpson and Stephanie Bowler on winning the NSW Seniors Teams Event which was held in Gosford last weekend.

Mary ran a raffle to help fund her participation in the Australian Seniors Championship. The raffle was drawn this afternoon by our President Connie Spence and the winners are:

3rd Prize Trish Golding

Mary would like to thank everyone for their support in the raffle which raised \$660.

We wish Mary all the best for the Championship.

The Newfoundland Midget

The testicles of a Newfoundland midget hurt and ached almost all the time.

He went to the doctor and told him about his problem.

The doctor told him to drop his trousers and he would have a look.

The midget dropped them.

The doctor stood him up on the examining table, and started to examine him.

He put one finger under his left testicle and told him to turn his head and cough, the usual method to check for a hernia.

"Aha!" mumbled the doctor, and as he put his finger under the right testicle, he asked the midget to cough again.

"Aha!" he said once more, and reached for his surgical scissors. Snip-snip-snip-snip on the right side ... then snip-snip-snip-snip on the left side.

To his amazement the snipping did not hurt.

The doctor then told the midget to walk around the room to see if his testicles still hurt.

The midget was absolutely delighted as he walked around and discovered they were no longer aching.

The doctor said, "How does that feel now?"

The midget replied, "Perfect Doc and I didn't even feel it. What did you do?"

The doctor replied: "I cut two inches off the top of your rubber boots."

That's all for this week

Cheers
